

## Northants branch area report 2026

Hi all it's that time of year again. In the past 12 months we have attended model shows as follows;

Peterborough-Darlington Sword and Lance-Stoke Model Show –Littleport [Ely]– -Letchworth, and of course The Nationals in Reading.

The interbranch in September was highly successful and once again I would like to thank all who attended, and also big congratulations to our fellow branch members for winning the trophy .

We held our bi-monthly competition this year with the theme anything GOES! For example aircraft ,ships and civilian vehicles so all type's of modelling .In November we had our annual Competition. We closed the year with our annual Christmas dinner and presentation with the WAGS!

Look forward to seeing everyone at the Nationals in April.

Happy modelling!
