

BMSS West Anglia Branch 2025

Area Representative's Report

In February 2025, West Anglia Branch exhibited at the Shuttleworth Museum Model Show which enabled an interface with members of the public as well as fellow modellers. It was useful to have some back issues of the "Bulletin" which provided a focal point for discussions. Several people expressed an interest but I cannot confirm if this was converted to membership.

We continue to impose on Letchworth Scale Model Club in the north and North London Miniature Modelling Club in the south of our catchment area to act as our hosts. As such BMSS Members are welcome to attend and make contact.

The BMSS West Anglia Branch unfortunately, were unable to attend the Interbranch Meeting for personal reasons and so provided no entry. However, our regular members attended the Annual Show in April to celebrate the Society's 90th Anniversary.

Joint Area Reps: Rodney Johnson (north) and Eric Sanger (south)
